

Welcome to E.K. Sports and Leisure 2011

*Your local and largest
established family
run Day Camp*

Come and join us in our celebration of 21 years in business

We look forward to seeing our old friends back with us again this year as well as new faces ready to enjoy our unique experience for the first time.

We are a family business and have been providing Day Camps locally since 1991.

We offer sports based multi activities for all children between the ages of 4 and 15 irrespective of sporting ability. Additionally we operate Specialist Workshops including Drama & Music, Art & Craft, and Football. Please book early – particularly for the specialist courses as they are always the first to fill up.

The emphasis of our camp is enjoyment and the children will have the opportunity to take part in many sports and activities. These are led by our reliable team of coaches who have worked with us for many camps. All our coaches follow safety codes which have guidelines for each activity.

We believe that our popularity over the years is because you view us quite simply as the best sports camp in the area offering a balanced, well structured quality service for you and your children. We are always available personally to answer any questions you may have. Alternatively, why not visit our website – www.eksports.co.uk

Greenacre's wonderful facilities consist of sports hall, gym, playing fields, tennis courts, indoor heated swimming pool, art room and drama studio. All located in a safe pleasant secure setting.

As a local family business we really do rely on the support of the local community.

We do not produce extravagant colour brochures. Our quality is in our Camps. Most of our bookings come through personal recommendations from you as parents. Please continue to recommend us to your friends as we enter our 21st year. Thank you for all your kind words of support last year and all the positive feedback via our questionnaire.

looking forward to seeing you in 2011
